

Remembrance of Jonathan Wood

August 27, 2011

Theo Ramakers

Those of you who have known Jon will remember:

his great Smile.

his capability of making strangers feel comfortable in the Chapter

Those of you who have known Jon will remember:

his great Smile.

his capability of making strangers feel comfortable in the Chapter

his passion for Astronomy

Those of you who have known Jon will remember:

his great Smile.

his capability of making strangers feel comfortable in the Chapter

his passion for Astronomy

serving the Chapter as its Observing Supervisor from 2008 – 2010.

Those of you who have known Jon will remember:

his great Smile.

his capability of making strangers feel comfortable in the Chapter

his passion for Astronomy

serving the Chapter as its Observing Supervisor from 2008 – 2010.

Always trying for the “New”

his great Red Battery 😊

his great Smile

his capability of making strangers feel comfortable in the Chapter

his passion for Astronomy

serving the Chapter as its Observing Supervisor from 2008 – 2010.

Always trying for the “New”

his great Red Battery 😊

his dedication to restore the club’s telescopes

Those of you who have known Jon will remember:

his great Smile

his capability of making strangers feel comfortable in the Chapter

his passion for Astronomy

serving the Chapter as its Observing Supervisor from 2008 – 2010.

Always trying for the “New”

his great Red Battery 😊

his dedication to restore the club’s telescopes

his effort to reach out to anyone who showed an interest in Astronomy

Jon's passion for Astronomy

Charlie Elliott Chapter

of the Atlanta Astronomy Club

Serving the Chapter as its Observing Supervisor from 2008 – 2010

Presenting some great Presentations as well as the
Monthly Observing 101

Charlie Elliott Chapter of the Atlanta Astronomy Club

USHIBA Flash Cards (not responding)

His dedication to restore the Chapter's Telescopes

Elliott Chapter
Astronomy Club

Always trying for the “New”

His effort to reach out to anyone who showed an interest in Astronomy

Charlie Elliott Chapter
of the Atlanta Astronomy Club

But this is how I remember Jon the most:

Reaching out to younger children and students and trying to
Get their interest in Astronomy

Charlie Elliott Chapter
of the Atlanta Astronomy Club

So today we are happy that we can remember Jon by
officially dedicating the Charlie Elliott Observing field as:

The Jon Wood Astronomy Field
