

## Minutes of the November 17, 2012 Meeting of the Charlie Elliott Chapter of the AAC

The November 17<sup>th</sup> 2012 meeting of the Charlie Elliott Chapter of the Atlanta Astronomy Club was held in the CEWC Conference Center in Mansfield, GA at 3 PM with 10 people at the meeting but approximately 25 additional guests at the public observing session afterwards. Marie Lott presented a variety of observing programs, including the new Asterism program certificate from AstroLeague, "The Sky at Night Moore Winter Marathon" from the BBC, the "Hubble Sequence in the Northern Fall Sky" list for serious deep-sky galaxy enthusiasts, and the ultimate lifetime observer's 275-page "Stargazer's Life List" by Paul Derrick. Marie also brought a Bahtinov Mask and explained how quick and easy it was to use to get a sharp focus. John Town presented some helpful target lists in his monthly "What's Up" After the meeting, a dozen scopes and binos were set up on the astronomy field and about 35 people enjoyed an evening under the stars.
